

Amya's Delightful Disney Adventure

Amya is a fun-loving five-year-old who loves arts and crafts, dancing and playing with friends. Her greatest passion though, is watching Disney movies and being a princess herself! When Emma's wish granters asked her what her one, true wish would be, Amya exclaimed, "I want to meet all the Disney Princesses!"

Thanks to the Make-A-Wish Foundation® of North Texas, Amya's wish came true! Before she knew it, she and her family were on their way to sunny Orlando, Florida to meet Mickey and the gang. Amya and her family arrived in Orlando and headed straight for Give Kids the World Village. Amya didn't waste any time unpacking...she couldn't wait to explore Walt Disney World.

Before she could even leave Give Kids the World, guess who came to see her, Mickey and Minnie! Amya felt like a star. After getting their autographs and taking numerous pictures with her new friends, it was time to find the princesses!

Amya and her family spent several days enjoying the Magic Kingdom and filling up Amya's autograph book! Last but surely not least, Amya spent an entire day at Orlando's Sea World! She was able to see all kinds of dolphins, whales, seals and otters, and enjoy the beautiful weather.

Amya had the most amazing time in Orlando! The memories she and her family made will last a lifetime! Amya watches her Disney movies even more now. Each time she sees Cinderella, Jasmine or Belle on the screen, she is filled with hope, strength and joy.
