

A Disney Adventure

Like most five-year-olds Isaiah wanted more than anything to take a trip Walt Disney World. Isaiah loves Disney so much, he will watch nothing else! He could think of nothing better than to take a trip to this magical place and meet the characters he saw in the movies. He could only imagine the adventures to be had at the Magic Kingdom, Epcot and even MGM Studios.

When Isaiah and his family arrived in Orlando, they were brought to Give Kids the World Village, a special home-away-from-home for wish kids and their families. Isaiah was ready to go! There were so many things to do and so many things to see. How could he fit it all in?

Isaiah spent a few days at all the different parks meeting all his favorite Disney characters. He rode Space Mountain, the Teacups and even dared to go into the Haunted Mansion! He found out that ghosts aren't so scary after all!

Isaiah's fun wasn't over yet. In addition to enjoying the Walt Disney World Resort, he also got to spend a day at Islands of Adventure. This was very exciting news to Isaiah because he got to go to "Marvel Super Hero Island" and meet Spiderman his all-time favorite superhero!

Isaiah and his family had a magical time at Disney World. His wish came true beyond his wildest imagination. This trip of a lifetime gave Isaiah and his family a much needed time of relaxation and fun. Isaiah will carry the memories he made at the "Most Wonderful Place on Earth" with him forever.
