

Princess Meredith Goes to Disney World!

Meet Meredith . . . a four-year-old bundle of energy who loves everything PRINCESS! Meredith's wish to go to Walt Disney World was the perfect wish for her. She was sure she wanted to meet all of the princesses; she just wasn't sure which one she wanted to meet first. Was Ariel her favorite or was it Jasmine?

After the travel dates were confirmed, the wishgrants planned a "Countdown to Disney" party with Meredith, her brother, Scott, and her mom and dad. Only 25 Days to Disney!!! A huge platter of chicken nuggets was graciously provided by the local Chick-Fil-A restaurant and served on Disney Princess paper plates!

Meredith and Scott were presented with backpacks (pink Sleeping Beauty for her and Taz for him) filled with games, gummy bears and disposable cameras for the trip. Meredith also received a duffel bag from Chick-Fil-A full of all kinds of goodies including a stuffed cow, a beach towel and a clock. Mom and Dad each got a Make-A-Wish t-shirt and gift certificates to Dillard's for last minute travel needs.

When the Walt Disney World tickets and itineraries were delivered by the wishgrants, a stuffed Mickey Mouse in a wizard costume appeared on the family's doorstep with a card from Mickey. He wrote a note saying that he couldn't wait to meet Meredith. Photo scrapbooks were also given to Meredith and Scott so they could record their trip with pictures and memories.

The family had a wonderful time at Walt Disney World. Meredith's wish came true...she met all of the Disney princesses in person and even got some of their autographs!
