

Nathan, the fearless, at Walt Disney World

Nathan is a typical 16--year--old boy who loves to have fun! He likes riding horses or riding in the car--as long as he's on the go! He is described by friends and family as "fearless." Nathan also loves lights and amusement park rides, so when wishgranters from the Make-A-Wish Foundation of North Texas asked what his one, true wish would be, he excitedly decided to go to the Walt Disney World Resort in Florida.

When Nathan and his family arrived at Give Kids the World Village, Nathan could hardly believe his eyes. He was filled with wonder when he saw the whimsical buildings that surrounded him. The pool was of special interest to Nathan because he loves being in the water.

Each park that Nathan and his family visited at Walt Disney World seemed like visiting a new world to Nathan. He saw his favorite Disney characters all around the Magic Kingdom including Mickey and Minnie Mouse. He wore out his family walking from one end of each park to the other.

At night, Nathan was in for an extra special treat--the parade! Nathan watched with wide eyes as the parade passed. The colors, flashes, sounds and characters caught his attention like nothing else. He insisted on going back night after night to see the parade. Each time, Nathan watched the parade pass as if it were his first. Nathan and his family had a blast at Walt Disney World. From the rides to the characters to the parade each night, they left with many wonderful memories. They will remember their trip for years to come. Nathan will remember it as his wish come true!

Nathan's wish was generously sponsored by the Irving Police Association
