

Surf and Sun!

Thirteen-year-old Suzie always dreamed of swimming with the dolphins in a tropical paradise. Some of Suzie's friends at the hospital told her about their greatest wish being granted by the Make-A-Wish Foundation® of North Texas. Suzie began to wonder if the Make-A-Wish Foundation could make her one-true wish of swimming with the dolphins come true as well.

Suzie was in for the surprise of her life. Within weeks of telling her wishgranters of her wish to swim with the dolphins, the Make-A-Wish Foundation of North Texas was working its magic to whisk Suzie off to her very own Hawaiian holiday. Suzie had so much in store for her she could hardly wait to board the plane and soar to the tropical island of her dreams.

Once in Honolulu, Suzie and her family had quite a trip ahead of them. There were dinner cruises through the waves, a beach Luau under the stars, sandcastles on the beach and much more. Suzie desperately wanted to see the ocean and see a volcano. She couldn't believe how beautiful it all was!

The day finally came when Suzie's one-true wish would be granted. Suzie went to Sea Life Park for a day of "Dolphin Discovery." At Dolphin Discovery, Suzie and her dad got to swim with the dolphins, ride dolphins, and even feed the dolphins. Dolphins have always been Suzie's favorite animal. This new adventure solidified that prestigious title for life!

Suzie and her family were grateful for their Hawaiian vacation. Suzie made memories to last her a lifetime and has renewed hope, strength and joy that comes from the *power of a wish*.

Suzie's wish was generously sponsored by the
Irving Police Association

MAKE-A-WISH.
