

Sayon's Family Filled Wish in Singapore!

Sixteen-year-old Sayon loves to read, watch T.V., play on the computer, but most of all he loves spending quality time with his family. When Sayon's wish granters asked him what his one, true wish would be he knew right away he wished to visit his family in Singapore, that he had not seen in more than ten years.

Thanks to the Make-A-Wish Foundation® of North Texas, Sayon's wish was granted! Before he knew it, he and his family were headed to Singapore to stay at the Grand Hyatt for eight days! Sayon spent all eight days having the time of his life traveling around Singapore to visit his family.

On one of the nights of his trip the Grand Hyatt offered Sayon and more than 20 of his relatives a seated family dinner. He was able to visit with aunts, uncles, cousins and grandparents. It was an unforgettable reunion! One of the most memorable moments of the trip was when Sayon and his grandfather, who has been sick for several months, were reunited. They were able to spend hours catching up on old times and talking about the new things going on in Sayon's life.

Sayon's wish came true and so much more! He was so thankful for his wish and the trip full of memories he, and his entire family, will remember forever.
