

## Madalyn, 10

### I WISH TO GO TO HAWAII

Madalyn is a ten-year-old girl who loves to have fun with her friends and spend quality time with her family. Madalyn has a life-threatening condition that makes her extra special but, as Madalyn knows, being special can make being a fun-loving girl difficult at times. When Make-A-Wish® North Texas heard of Madalyn, they knew that they had to help her by granting her biggest wish.

Madalyn's Wish Granters helped her narrow down her wish to the deepest dream in her heart—to have a vacation with her family in Hawaii. The Wish Granters and Make-A-Wish team worked tirelessly to make sure that Madalyn's wish was not only granted but would exceed her expectations of paradise.

When Madalyn and her family finally arrived in Hawaii, she was greeted with the traditional lei necklace and was taken to her beautiful, beachside resort. After a restful night at the resort, Madalyn spent the next day experiencing all the sights and smells of tropical Maui. But the adventure didn't end with just sight-seeing and lounging on the beach—Madalyn was able to zip-line through tropical forests, take surfing lessons, go snorkeling in off-shore coral reefs and take a glass bottom boat tour to see all the exotic fish in and around Hawaii.

Madalyn returned home knowing that her biggest wish was fulfilled and that she would have memories to last a lifetime. Thanks to Make-A-Wish, many children like Madalyn see their wildest dreams become a reality.

Thanks to you a wish came true!
